## Introduction

[Little Feet ELC](#) is a premier early learning center committed to providing high-quality education and care for young children in Dubai. With a focus on creating a nurturing and stimulating environment, Little Feet ELC aims to foster the intellectual, social, emotional, and physical development of each child. Our dedicated team of experienced educators is passionate about providing a foundation for lifelong learning, ensuring that every child reaches their full potential.

This document provides an overview of Little Feet ELC , highlighting our services and commitment to excellence.

## Our Philosophy

At Little Feet ELC, we believe that every child is unique and deserves individualized attention. Our philosophy is rooted in the principles of play-based learning, which recognizes the importance of active exploration, experimentation, and discovery in a child's development. We strive to create a supportive and inclusive environment where children feel safe, valued, and empowered to express themselves. Our curriculum is designed to be flexible and responsive to the diverse needs and interests of our students, fostering a love of learning that will last a lifetime.

We embrace a holistic approach to education, recognizing that a child's development is interconnected across multiple domains. Our curriculum incorporates a variety of activities and experiences that promote cognitive, social-emotional, physical, and creative growth. We emphasize the importance of building strong relationships between children, teachers, and families, creating a community of learners that supports and encourages each other.

## Services Offered

Little Feet ELC offers a range of comprehensive early learning programs designed to meet the needs of children from infancy through preschool. Our programs are carefully structured to provide a balance of structured learning activities and free play, ensuring that children have opportunities to develop their skills and interests in a variety of areas.

### Our core services include:

- **Infant Care:** A nurturing and stimulating environment for infants, providing individualized attention and care to support their early development.
- **Toddler Program:** A play-based program that encourages exploration, socialization, and language development for toddlers.
- **Preschool Program:** A comprehensive curriculum that prepares children for kindergarten, focusing on literacy, math, science, and social skills.
- **After-School Care:** A safe and engaging program for school-aged children, offering homework assistance, enrichment activities, and opportunities for socialization.
- **Summer Camp:** A fun and exciting summer program that combines learning and recreation, providing children with opportunities to explore new interests and make new friends.

## Focus on Key Services
